Notice

In accordance with green Policy of the college, all the faculty members should adopt following energy conservation measures.

Energy Conservation Measure:

- Use LED tube and Bulbs.
- Use fans only when they needed.
- Keep lights off in classrooms, laboratories, lecture halls when they are in use.
- Turn off in unnecessary lights and use daylight and use daylight instead.
- Activates power management feature on your laser printer.
- Turnoff your monitor when you leave your table.
- Activates power management feature on your computer and monitor so that it will go into a low power "Sleep" mode when you are not working on it.
- Whenever possible, shut down rather than logging off.
