CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

As our college is affiliated to Sant Gadge Baba Amravati University Amravati, hence we follow the curriculum designed by University. The university prepares yearly academic calendar containing admission process, semester examination, holidays etc. On the basis of academic calendar given by university, our college academic calendar committee prepares academic and activity calendar for effective implementation. At the beginning of every session, the time table committee prepares time table for the college and displays it on notice board of college. Head of department distributes work load to faculty teachers as per the university norms. The teachers prepare teaching plan according to academic calendar and guideline of the university, which includes seminars, unit test, Assignments, Practical, delivery of lectures and tutorials. Every teacher maintains the academic diary and record the engaged lectures, practicals, seminars and other activities/programs conducted. Periodical meetings of Heads of the Departments are held with the principal to review and discuss the curriculum delivery. Periodically each department conducts departmental meetings adhering to discussion on syllabus review, practicals, departmental activity, planning for internal exam, seminars, programs. The students are given assignments, seminars and projects under the supervision of the faculty. Various eminent faculty members from other institutions are invited frequently for guest-lectures so that the students should get exposure to the current trends and the latest subject knowledge. ICT is used for effective teaching by the teachers of various departments. In addition to the blackboard, to teach students by using LCD Projectors, power point presentation and online tools such as Google Meet, Zoom, you-tube, google forms, google classrooms, these modern applications are used to create interest in the curriculum. Additional facilities such as an extra book issue and personal counseling are provided to

advanced learners by the central library as well as by faculty members. Due care is also taken of slow learners by conducting remedial classes. Tutor-Ward (Mentor-Mentee) system is implemented for identifying weakness and strength. The skills learnt through extension activities like NSS, NCC, etc. help the students to learn time management, build self-esteem and practice goal setting. The faculty members encourages the students to participate in various activities, programs and competition such as Seminar, poster, quiz, Rangoli competition etc. Feedback on teaching and curriculum is taken from the students for ensuring better delivery and effective implementation of curriculum. Institution has its own functional IQAC.
