About College ...

Arts & Commerce was established in 1990 under the guidance of a great visionary, academican and first agriculture central minister of independent India Dr. Pargabeno alias Bhausaheb Doshmukh. In the beginning it was providing only for malicolucation in the faculty of Arts and Commerce. With the view to the importance of science and technology the faculty of science was introduced in 2009 and in the same year the name of Arts and Commerce college was changed to Shri Shivaji Arts, Commerce and Science College Motala. Since the inception of science stream we started continuously taking serious efforts to provide education through science freely to the poor and deprived students.

“QUIZ COMPETITION ON WORLD WETLAND DAY”

Department of Botany celebrated World Wetland Day by organizing online quiz competition dated on 02 February 2021 (Tuesday). World Wetland Day focuses on conservation and raising awareness about the ways we keep exploiting mother nature. So its our prime duty to aware students because they are tomorrows future. To restore wetland distortion its necessary to raise awareness. We organize this online competition in which students were participated from Tamilnadu, Maharashtra, Gujrat, Bihar and Karnataka state.

For this programme, Dr. S. W. Mamalkar, Principal, Shri Shivaji Arts, Commerce and Science College, Motala provide constant support and encouragement, Dr. P. A. Theng, Asst. Professor & Head, Co-ordinator Mr. S. S. Sakhare, Asst. Professor, and Dr. R. W. Ukey organizing secretary had taken lots of efforts for this successful completion of quiz competition.

“Botanical Excursion Tour”

A one day Botanical excursion tour has been organized by Department of Botany, Shri Shivaji Arts, Commerce & Science College, Motala Dist.-Buldana (M.S.) on dated 18 August 2020 (Tuesday) at Nalganga Dam and Sangland Nursery. This area is much diversifies area of Motala. The tour was conducted by our faculty member Dr. P. A. Theng (Assist. Professor & HOD, Botany), Dr. R. W. Ukey and Prof. S. S. Sakhare. Our Principal Dr. S. H. Pande and Prof. S. W. Mamalkar are also with us. This excursion tour was organized to study floral diversity near Nalganga dam specially for B.Sc. I and II year students because semester III was includes taxonomical and anatomical study of Angiosperms. In semester first includes algal flora specially found in Nalganga Dam. Students collected many fresh water algal forms like Oedogonium and also observed some pteridophytes.

Sanglad nursery is rich in many Angiospermic plants specially those having medicinal value. Many wild plants are listed by students during exploration of floral diversity.

Photographs of Study Tour:
