Response to the QIM

2.5.1 Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Mechanism to deal with Internal Examination related grievances:

The methods used to perform internal evaluations include written tests on the syllabus taught, practical exams, multiple choice questions (MCQ), quiz competitions, assignment submissions, online exams, project reports, seminar presentations, industrial visits, and field visits.

The departmental notice board is used to post students' marks and performance, which promotes openness regarding the internal review. Answer sheets are given to the students for general observation after the assessment of unit tests. Students should bring any complaints/grievances they have about their performance in the internal assignments and their grades to the subject lecturers for resolution. The students' issues with evaluation and mark distribution are handled by the subject teachers. The topic is brought before the concerned Head of the Department if the student is not pleased. Internal examination related grievances are immediately resolved.

Mechanism to deal with External Examination related grievances:

According to the university examination timetable, the institute administers semester university exams in the college. The affiliating university provides the question booklets and answer sheets. The university administration, specifically the Board of Examination, is informed of the student's complaint/grievances if it relates to the question papers. The topic is brought before the Board of Studies by the Board of Examination. The Board of Examination settles student complaints following the Board of Studies' ruling.

Students' main complaints about the question papers are:

- Questions being out of the syllabus.
- Errors in printing in question papers.
- Distribution of marks to questions in the question papers.
- Questions having incorrect choices in the MCQs

Answer sheets are forwarded to the university for official evaluation as soon as the exam is finished. Results must be announced by the university in 40 days. Students at the college level receive their marksheets following the announcement of the results. Few students raise grievances related to undervaluation of answer sheets. For this purpose, they are need to apply for the photocopies of the same to the university online along with fees and relevant documents. Students also have the following grievances regarding university results which must be clarified within stipulated time:

- Results being withheld.
- Marks not being put in the marksheets in spite of them being sent to the university by the college.
