4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution.

There are adequate facilities available in institutions for teaching-learning. The institute has undergraduate programs in three faculties namely, Arts, Commerce, and Science, and a post-graduate program in commerce stream. There are 12 classrooms available in the institution which is sufficient to engage theory classes. All the classrooms are well equipped with the required furniture. Along with classrooms, the institute has two smart classrooms. Institute has dedicated laboratories for each of the science courses. Five laboratories are available on the campus. Free Wi-Fi facility is provided on campus. A power backup system along with a generator is installed on the campus. The whole campus is under CCTV surveillance (A total of 17 cameras). The Built-up area of the library is 83.26 Sq. m. The Library possesses 10893 books and 647 reference books including Dictionaries Encyclopaedias and books on literature. The library is enabled with SOUL 2.0 software. Computer terminals with OPAC facility are set for student cataloguing. A separate reading room for students and staff is available. To overcome the fluctuation in electricity supply, we have Kirloskar 25 KV Generator. An auditorium with audio-visual aids is under construction. The institute has an open theatre for cultural activities. Besides cultural activities, the institute also engages its students in different sports facilities. A playground is available for various sports. The students are provided with sports equipment such as Volleyball, shot-put, etc. Dedicated grounds for sports like Volleyball, kabaddi, kho-kho, and long jump-pit are available. Yoga sessions are conducted in the open space available on the campus.
