7.1.2 Provide Links for any other relevant document to support the claim (if any)

Our institute is serious about environmental issues. Various measures are continuously implemented on campus to conserve nature. Nature Club, NSS, and NCC volunteers devotedly contributed to all these activities. Policies made by the institution are followed strictly by all the stakeholders. Institute makes the campus pollution free by strictly following the Use of Automobiles is strictly prohibited in the campus area. Institute maintained greenery by landscaping.

The institute has been certified with ISO 1400:2005 for its environmental management system. Green audits and Energy Audits are done with regard to water management, solid waste management, and efficient ways of using electricity. The students of the institute have been given membership as ‘Maharashtra Haritsena’ by the Department of Forest, Maharashtra State.

Institute maintained greenery on campus. Tree plantation conducted specially during rainy season. The number of trees is planted on campus especially dominated by Neem Tree (*Azadirachta indica*). Neem trees are more in number. Institute also start the nursery of indigenous plant species. Awareness program on Water and energy conservation was organized.

Jal Pe Charcha

Introduction:

Water plays many important roles in the body including flushing waste from the body, regulating body temperature, and transportation of nutrients which is necessary for digestion. Fresh water is necessary for the survival of all living organisms on Earth. Our bodies are made up of about 60% water and we cannot survive more than a few days without it.

Department of Botany, Shri Shivaji Arts Commerce & Science College, Motala Dist.- Buldana (M.S.) organized an awareness program on water “Jal Pe Charcha” dated 4th March 2020.

Objectives:

- To Motivate students for donate labor under the “Paani Foundation”
- To raise awareness of the urgency of reversing the accelerating loss of Water.
- To promote water conservation.
- Reminds people why we need to save our water.

Description:

“Jal Pe Charcha” program was organized by Department of Botany. This program was under “Gram Samajik Pariwartan Abhiyan”. The president of this program was Principal Dr H. G. Patil and the Chief guest was Dr Bharambe, Mr. Anand Tiwari, Mr. Rajendra Vairalkar, Mr. Dilip Morey, Mr. Bramhadev Girhe and Mr. Nilesh Kalanse.

Dr C. D. Morey gave an introduction about this program and also introduce the chief guest of the function. Mr. Anand Tiwari explains the purpose of “Gram Samajik Parivartan Abhiyan”. He also enlightens the need for water and water conservation. Dr. Bharambe, HOD, Department of Zoology, Science College Malkapur also explained the need for water for life.

On this occasion all the teaching staff was present. Anchoring by Dr. P. A. Theng (Coordinator) and a Vote of thanks expressed by Dr. A. C. Thakur. All the students of the college were present in the program.
