#### 1) Sensitization of Students and Employees Towards Values, Rights, Duties

Ancient Indian values like spirituality, dignity of labour, simplicity, pursuit of truth, universal tolerance and acceptance. Our college organizes various programs from time to time for the promotion of Constitutional values, rights, duties, and responsibilities of citizens. Sensitization of students and employees of the college to the constitutional obligations is done through curriculum as well as through extra-curricular activities. In addition to this many regular programs are conducted in the college to educate women about their rights.

The college takes many initiatives like conducting awareness campaigns, organizing orientation programmes, training programmes, seminars and workshops to sensitize the students to inherit human values coping with the constitutional obligations. Every year the college organises flag-hoisting ceremony and other programmes on the Independence Day and Republic Day. All staff and students are encouraged to participate actively in these programmes.

The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities on the special occasion. The college conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. and students are actively participated in it. The college creates policies that reflect core values. Code of conduct is prepared for students and staff and everyone stakeholders should obey the conduct rules.
